

# Tellagami

- 1 **Download the app and create your first gami.**
- 2 **Choose gender for your male or female character.**
- 3 **Have your character tell a story, introduce a person in history, speak as a famous person, etc.**
- 4 **When you're done, save your gami and send it to this email:**

<https://tellagami.com>

Tellagami is a mobile app that lets you create and share a quick animated Gami video.

1

## Create a Scene

Customize a character and choose your background.

2

## Add Dialogue

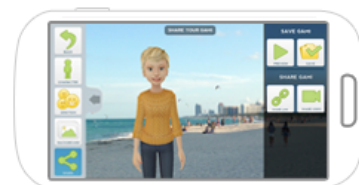

Record your voice or type a message for your character to say.

3

## Save or Share

Share your Gami video on Facebook, Twitter or send via text or email.

Download the App
